विषय Sub: Project on "Development and Validation of Biointensive Integrated Pest Management strategies for Coconut Invasive Whiteflies in Karnataka"-reg

महोदय Sir,

With reference to the above, I am to inform that the **Project Approval committee (PAC) of the Technology Mission on coconut (TMOC) in its 57th meeting** held on 08th, 09th, 13th, 14th & 16th October 2020 through video conferencing at Kera Bhavan Kochi has discussed the project in detail and suggested that the project should focus only on the bio-intensive IPM studies initially. **PAC approved the project for Rs. 22.99 lakh for a project duration of 2 years 4 months only after excluding the cost for Toxicological data generation/registration and institutional charges.**

In this connection I am forwarding herewith a draft MoA to be signed between the CDB and ICAR- NBAIR, Karnataka. The MoA on a stamp paper worth Rs.100/- may be signed and returned to this office immediately so as to enable us to release the 1st installment of financial assistance for implementing the project.

भवदीय Yours faithfully,

Encl: As stated

उप निदेशक Deputy Director
